

To Whom it May Concern,

We write this letter in recommendation of Ed Perkins of Integra Kitchen and Bath as a general contractor. We had the pleasure of working with Mr. Perkins on the renovation of our kitchen and family room in 2015. We can recommend him highly and without reservation.

Throughout the course of the renovation, Mr. Perkins was a consummate professional. He was accurate in his initial assessment of the scale and cost of our project. He was absolutely clear in his record keeping and time log. He chose and managed the sub-contractors well. Our job was done with care and precision.

The only complexity in working with Mr. Perkins is that, as he himself will tell you, good work takes time to complete. Patience is required when you work with a perfectionist. Although our project took time to complete, I think we have a wonderful outcome and a work of art.

Mr. Perkins was helpful, kind and patient working with us. We had a vision of our project and he executed it perfectly!
